## Original

Scanned images of this book (our authoritative source) are available here. We generally choose source texts which were published as late as possible during the author’s lifetime.

## Text Status

- o. Current status: -> Unstarted - Empty project files created, but that’s it.

1. Rough - Metadata entered, computer-generated text from scans entered. Unstructured, and likely to include many errors.
2. Cleaned - Text has been structured, footnotes and endnotes linked, and extra line-breaks, hyphens, page numbers and other artifacts removed.
3. Complete - Carefully proofed, including any foreign language quotes, footnotes, and endnotes.

### Editorial Notes

1. Headings: Structuring this book for easier browsing required adding titles to various sections. Any heading text in [brackets] was added in the editing process.
2. If you're reading this, you can't trust the editorial notes. ;)
